Basic Genealogy

Getting Started in Genealogy (from the FamilySearch.org wiki)

https://www.familysearch.org/wiki/en/Getting_Started/Intro

Google Maps – New Mexico (because maps are so important)

<https://www.google.com/maps/@34.150416,-108.2692637,7z?hl=en>

Time Line for an individual ancestor

<http://shoestringgenealogy.com/form/IndividualTimeline.pdf>

Family Group Sheet, Ancestral Chart, and other useful forms

<https://www.ancestry.com/cs/charts-and-forms>

Pedigree Fan Chart (nice for visualization)

http://dept.cs.williams.edu/~bailey/genealogy/index_files/PedigreeFanChart.pdf

Relationship Chart – Removed cousins explained!

<https://www.familytreemagazine.com/wp-content/uploads/2014/03/relationship.pdf>

Genealogy Television Programs, Past and Present

Ancestors – 23 episodes at BYUtv.org

Ancestors in the Attic (Canadian) – a few episodes at libraries and some on YouTube.com

Finding Your Roots with Henry Louis Gates, Jr. – current season began in October 2019 on PBS.org

Genealogy Roadshow – subscribe on PBS.org or purchase episodes on YouTube.com

The Generations Project – 38 episodes at BYUtv.org

Long Lost Family – Watch on TLC, subscribe to streaming on TLC.com, or buy on YouTube.com

A New Leaf – New show that began on NBC in October 2019, check local listings

Relative Race – watch at BYUtv.org, stream on an app, or look for on cable and satellite

Who Do You Think You Are? – American version originally on TLC but now on NBC
